

**ATTENTION ALL GILLINGHAM PARENTS &
GUARDIANS**

The Returning Student Forms that are **required for every student** in order to return for next school year of 2024/2025 are now available! **These forms are required to be submitted by 5/15/24.** Please find these forms on our website's homepage. Please fill them out digitally, download, and email them to Ian Young at enrollment@gillinghamcharterschool.org.

If you require physical copies or an alternative method, please reach out to Ian Young at enrollment@gillinghamcharterschool.org.

Please note that later this year, closer to the beginning of the 24/25 school year starting, all students will be required to fill out our Mandatory Annual Student Forms. These forms will be required for all families to fill out in their entirety at that time to verify their information so we may best educate and support your student(s).
